

PROUDLY MADE IN
GREENWOOD, MS **USA**

Even though our products ship around the world, Viking has always stayed true to its roots in Greenwood, Mississippi. The Viking range was born here, and our decision to set up shop in our hometown is a testament to the commitment we have to building Viking products in the USA.

Since 2013, Viking has been part of The Middleby Corporation – a world leader in commercial kitchen technology. With Middleby’s help, Viking has introduced over 100 new, innovative, and award winning products with significant quality improvements and advanced cooking technologies once reserved for commercial kitchens.

PROFESSIONAL PERFORMANCE FOR YOUR HOME™

Before Viking, home chefs had no options. With Viking, there is no other option. Over the past 30 years Viking has become synonymous with the epicurean lifestyle, developing professionally styled and featured products for every major appliance category. Viking is again revolutionizing ultra-premium appliances by incorporating proven technology and innovative features once reserved for commercial kitchens into Viking Professional appliances for your home.
