

# PERSONAL USE POLICY

FOR DESIGNERS AND FRONT LINE SALES PERSONNEL ONLY

Viking strongly encourages Viking Influencers who influence the sale of Viking appliances to personally experience and enjoy the use of Viking appliances in their own homes. Not only does this allow them to better understand the features and benefits of Viking products, but this special personal use pricing is also a way for the Company to say "Thank you" for their contribution in making Viking the leading manufacturer worldwide of ultra-premium major appliances.

## 35% OFF UMRP ON ALL VIKING PRODUCTS

NOTE: All product purchases must be paid in full prior to release of the product (prepaid for special ordered items). Prices do not include sales tax, delivery, or installation. Unless otherwise arranged, products must be Will Called from a Viking Range, LLC warehouse. Personal Use sales are strictly intended for the personal use of the Viking Influencer.
